Dear Valued Customer

**RE: Conflict Minerals**

DSP is dedicated to providing you, our valued customer, with high quality, fit for purpose steel that also meet applicable environmental regulations.

DSP certifies that, to the best of our knowledge, the goods supplied to your company (steel coils and derivatives thereof) does not contain any of the conflict minerals i.e. tantalum, tungsten, tin and/or gold.

Please do not hesitate to contact us should you need more information.

Yours faithfully

**Ilze Venter**

Industrial Costing and Compliance Manager

**Duferco Steel Processing**
