Dear Valued Customer

RE: Asbestos

DSP declares that, to the best of our knowledge, our products (steel coils and derivatives thereof) does not contain any asbestos; chrysotile; or a powder substance that contains asbestos. The protective packaging material for our product consist of VCI Paper, Stretch Film, Polyester Strapping and Polypropylene sheets.

The compliance of DSP products is ensured through:

- Strict control of the materials and consumables that are used during the manufacturing of our products;
- Periodic audits of suppliers to ensure compliance of our raw material;
- Periodic analysis of our products.

Please do not hesitate to contact us should you need more information.

Yours faithfully
