Duferco Steel Processing (Pty) Ltd

12 December 2022

Dear Valued Customer,

DSP will stop production on 15 December 2022 until 9 January 2023 where after we will proceed with annual maintenance until 23 January 2023, deliveries of new production we foresee will become available from the week starting 30 January 2023 for Hot Dipped Galvanised products and for Cold Finish products from the week starting 6 February 2023.

All material produced prior our stoppage on 15 December 2022 is available for delivery when required, arrangements for that is to be done with your relevant Sales co-ordinator.

Our non-prime hosting will only resume 9 January 2023.

We apologise for any inconvenience.

Yours Sincerely,

Nico van Wyk
